FALL 1883.

Permit us to call your attention to the fact that we have recently added to our office new Machinery and Type, and are better prepared for the prosecution of our business of **Printing and Binding** than ever before.

An experience of over thirteen years in business has given us much advantage in providing for the wants of those who may have anything to be done in our line.

Our establishment is the largest and best equipped in this State, and equalled by few in this Country.

IN OUR PRINTING DEPARTMENT

We are prepared for all kinds of Book and Job work, embracing

Note and Letter Heads, Envelopes,
Tags, Cards, Bill Heads, Statements,
School Reports and Blanks,
Association Minutes,
Convention and Grand Lodge Proceedings,
Legal Blanks, &c., Posters, Hand-Bills,
and anything else that can be called for.

OUR BINDERY DEPARTMENT.

In this Department we surpass all our competitors in the Manufacture of

Ledgers, Day Books, Journals, &c., &c.,

as we bind them by a process known to no other Binders in this State; so making the backs as to admit of perfect ease in opening and reaching the center columns, and in durability of fastening the leaves.

We only ask for a trial order to convince you of the superiority of our Blank Books.

PRICES.

We can give goods of all grades and will make prices as low as can be obtained anywhere.

Remember us when in want of Printing or Binding of any kind, and we guarantee satisfaction.

☞ Estimates and Samples furnished on Application.

Yours Truly,

EDWARDS, BROUGHTON & CO.,

RALEIGH, N. C.

OUR BOOK STORE.

In connection with J. W. Denmark & Co., Raleigh, N. C., we are also conducting the business of Booksellers and Stationers, and as ours is the only Printing House and Book Store in this city having any pecuniary interest in the two branches of the business, we feel safe in saying we can supply all your wants at prices more reasonable than any one else in this State.
